### Important - dates

**Pre-school closes for half term after the session on Friday 12th February and re-opens on Monday 22nd February.**

**The staff would like to thank all the children and parents for the lovely Christmas cards and thoughtful gifts received.**

A happy new year to everyone and hope you all had a wonderful Christmas.

We would like to welcome Samuel, Madeleine and Wilf into the pre-school and hope they will soon settle into the pre-school routines.

Last half term the children really enjoyed dressing up and playing in the role play area. In order to extend the children's interest in role play this half term we will be transforming the role play area into a train station with a ticket and information office, a café and a train to travel on. The children will be encouraged to look at brochures and plan exciting journeys, make, sell and check tickets, serve in the café and travel on the train!

At the end of the half term the role play area will become a veterinary practise where the children will diagnose illnesses, treat and care for the animals (soft toys) and prepare prescriptions.

### Fundraising

Our fundraising "Cook-a-thon" was a great success and enjoyed by all who attended.

Many thanks to Hazel and Lisa for organising the evening and Beth for asking Stobarts to both sponsor the event and donate many raffle prizes. As soon as we know how much money was finally raised we will let you know. Thank you to all the families who bought raffle tickets

### Wednesday afternoons

We are looking forward to starting the school leaver sessions on Wednesday 6th January There will be three members of staff Jane, Rebecca and Janet.

Details of how each session will be run and the activities that the children will be participating in will be displayed on the notice board each week for all to see.

Lunch time sessions and afternoon sessions will continue on Tuesdays and Thursdays. There are plenty of spaces available for any other children wishing to attend.

Staff Training - During this half term Janet will be attending an "ICT" course. Congratulations to Janet as she has now completed her course and gained a NVQ 3 qualification.
