Pre-school closes for Easter after the session on Friday 26th March and re-opens on Monday 12th April.

Sainsbury's - Active kids vouchers

Tesco for schools and clubs

In the past we have been able to purchase some great resources using vouchers so please remember to collect as many as you can.

We would like to welcome Elliot, Charlotte and Ollie into the pre-school and hope they will soon settle into the pre-school routines.

Last half term the children really enjoyed dressing up and playing in the role play area. As their favourite activity was caring for the animals at the vets we will be extending their learning by exploring other animals including farm animals. One of our planned activities will encourage the children to learn the names of baby animals.

We have recently purchased several new jigsaws and games.

We now have "Jenga" "Snakes and Ladders" "Ludo" and "Connect 4" which hopefully will challenge our more able children. The Fisher Price children's camera which we bought at the end of last half term has been a great success and so easy for the children to use. All the children have been able to operate it and they can also view the pictures that they have taken. The first day that we introduced it to the children, 184 photos were taken! Luckily we can be selective and delete where necessary.

Towards the end of the half term we will be celebrating Easter with lots of fun activities including planting bulbs and having an Easter egg hunt.

Mon 22nd Tues 23rd Wed 24th February. Parent's morning

You are invited into pre-school to have an informal (10min) chat with your child's key worker regarding your child's progress. It is an opportunity to look at your child's Personal profile and admire their work.

Note: The parent's mornings will take place in the **school** staff room so please come to the pre-school door (at your allocated time) and the appropriate member of staff will go with you to the staff room.

Thursday 4th March - World Book day.

£1 world book day vouchers will be given to the children.

Please encourage your child to bring in a favourite book to read at "Quiet time"

Lunch time sessions and afternoon sessions will continue on Tuesdays and Thursdays. There are plenty of spaces available for any other children wishing to attend.

Staff Training - During this half term Jane and Rebecca will be attending a Pre-school Network event organised by the Pre-school Learning Alliance to discuss topics like "How to Develop Outdoor Play" and ideas of how to implement the new "Single Funding Formula"

Contact details

Please let Jane know if your contact details have changed, new mobile phone numbers etc

Jane would also value your email addresses as it is a convenient form of communication and would save lots of paperwork.
